EducationUSA Club Mentor - Baltic Region

Project Title	EducationUSA Club Mentor - Baltic Region
FIOIECI	During the internship period you will have a possibility to develop and lead a meaningful cohort advising program for a small group of motivated Baltic high school students.
Country	Lithuania

Project Description

During the internship period you will have a possibility to develop and lead a meaningful cohort advising program for a small group of motivated Baltic high school students.

The program may include webinars, consultations, and individual assignments reviews.

During the internship you will gain experience in peer to peer advising, develop cross-cultural communication, presentation, editing and assessment as well as leadership skills. Working alongside with EducationUSA advisers in Estonia, Latvia, and Lithuania, you will get an opportunity to be a mentor for a group of Baltic high school students, help them develop their confidence in English communication, and inspire them to pursue their dreams to study in the U.S.

You will be expected to:

- Facilitate a monthly book/article or video discussion;
- Conduct a monthly session on college culture or topic related to studying in the U.S.
- Review 1 monthly individual assignment, such as personal essay or academic writing task;
- Work closely with EducationUSA mentor.

Required Skills or Interests

Skill(s)
Cultural diplomacy
Editing and proofreading

Additional Information

EducationUSA is a U.S. Department of State network of advising centers in over 175 countries. EducationUSA provides prospective applicants to U.S. colleges and universities with accurate, comprehensive, and current information about opportunities to study at accredited universities and colleges in the United States.
